No formal meeting with Gary about our future schedule. John Meyer said they would like to have it done within 3 weeks. I am not available past the 25th. I asked Ashley to send an email. We will have a conf call soon to update you all.

SUPER THANKS!

Subject: Dive Team Availability for Cap Inspection

I have made a chart that might help with availability of the team. Please provide availability for the following weeks. Note: They are wanting the cap assessment completed by the 25th. There will be others who join, but first they want to see what the availability is of the team.

Place a yes, no, or maybe in the chart (only maybe if you really have to!)

Thanks,
